in pink: estimate, no recent information on the country

DISCLAIMER

All figures are provided to WPTC members and other participating experts of the processing associations. WPTC does not guarantee or assume any liability for the accuracy of the contents of this site/report and shall not be responsible for any losses sustained as a result of relying on the contained information.

*Hemispheres are not defined in the strict geographic sense but as:

Northern Hemisphere: crop period mainly July to December

Southern Hemisphere: crop period mainly January to June

** AMITOM associate members

*** Tomatoes produced in Portugal but processed in Spain are reported in Spain
